

Tesomas Scout Camp Bicycle Usage Agreement

To ensure that Tesomas is a safe place for all to enjoy, the following terms must be agreed to in order for a Scout or adult leader to be permitted to use a bicycle while at camp. Once the needed signatures are acquired, the agreement form must be with the bicyclist at all times while riding a bicycle.

- I understand that bicycles at camp are a privilege and not a right.
- I agree only to ride my bicycle on camp roads.
- I agree not to ride my bicycle in main camp, campsites, program areas, or on trails.
- I agree to wear a buckled bicycle helmet at all times while riding a bicycle.
- I agree not to ride my bicycle at night unless it is properly equipped with lights.
- I agree to ride my bicycle at a safe speed appropriate for the terrain.
- I agree to give walkers the right-of-way and warn them when approaching them.
- I understand it is my responsibility to keep my bicycle in a safe place.
- I agree to keep my bicycle upright in the bicycle corral whenever bringing it to main camp.
- I understand that if I violate any of these terms, my riding privileges will be revoked for the remainder of the camping season.
